

AXORA | FLUX Series Linear Accent Lighting Module

IP20

Light Distribution AX-MG-FL-AC-F-20W-436

Colour Temperature 2700/3000/3500/4000K

Colour Rendition Index CRI 90

Optics LENS

Beam Angle 21D/29D/41D

Track Low Voltage Track

Connected Load 20W

Luminous Flux Of The Luminaire 2041lm

Luminaire Efficacy 102lm/W

Colour Deviation SDCM < 5

Light Source LED

LED Type SMD

Dimming Method 1-10V/ Dali

Cover Material Aluminum

Body Material Aluminum

IP Rating IP20

Housing Colour Matt White/ Matt Black

Weight 0.4Kg

Technical Region Input 48V

Light Beam Table

H(m)	E(lx)	D(m)
		21°
1.0	8854.13	0.38
2.0	2213.53	0.76
3.0	983.79	1.14
4.0	553.38	1.52
5.0	354.17	1.90

Ideal for retail and commercial spaces with height limitations or highlight display needs: fashion boutiques, home furnishing stores, branded chain stores, vehicle exhibitions, jewelry and accessory counters, upscale hotels, museums, showroom halls, display windows, and other precision lighting areas.
